

## LPE CNC L92/LS3 head flow exhaust port

Exhaust Valve lift (inches)	0.200	0.300	0.400	0.450	0.500	0.550	0.600	0.650	0.700
Stock intake	120.08	158	183	190	194	199	202	204	205
LPE CNC intake, 4.065" bore*	116.92	160	199	210	218	224	229	232	235
LPE CNC intake, 4.125" bore*	116.92	161	201	213	220	226	231	234	237

\*Flow differences are purely from the flow fixture bore size difference. The same CNC program/the same head/cylinder was tested on both bore sizes.
